

## PRESS RELEASE

The Gévelot Group, following on from its releases issued at the end of August 2017, notifies that the contract between the Gévelot company and the Walor International company, covering the transfer of securities of Gévelot Extrusion and Dold Kaltfliesspresse GmbH companies, was signed today 11 October 2017, subject to conventional suspensive conditions and supported by a guarantee agreement.

These transfers will become effective in terms of the transfer of ownership and use after the raising of suspensive conditions on the closing date scheduled to come into effect in late November and in any event before 22 December 2017.

Official transfer of French real estate property owned by Gévelot SA is also underway.

In compliance with stock market regulations, the Gévelot Group will inform the market as and when these transfers occur.
