Warning: processing for abstentions

Law n° 2019-744 of July 19, 2019 modified the rules applicable to the calculation of votes expressed in General Shareholders' Meetings: while abstentions were previously considered as negative votes, at the next meeting, these are now excluded from the votes cast and are therefore no longer taken into account in the basis for calculating the majority required for the adoption of resolutions. The remote voting forms have consequently been modified in order to allow the shareholder to express separately a negative vote or an abstention on the various resolutions submitted to the Meeting.

A - Special terms of participation and voting at the General Meeting in the context of the health crisis

According to the article 4 of the Ordonnance 2020-321 of 25 March 2020 adopted as part of the duly authorization conferred by the emergency law to deal with the Covid-19 epidemic n° 2020-290 of 23 March 2020, the Annual General Meeting of the Company of 17 June 2021, by a decision of the Board of Directors, will be held without the Shareholders and other persons having the right to attend being present, whether physically or by conference call or audio-visual.

As a consequence, the Shareholders will not be able to physically attend the meeting.

Failing to attend the Meeting personally, shareholders can choose between one of the following three options:

- a) Give a proxy to the person of their choice under the conditions of the article L. 225-106 of the Commercial code (mandate to a third party), it being specified that, in this case, the proxyholder will have to vote by correspondence under this power ;
- b) Send a proxy to the Company without specifying a representative (give proxy to the Chairman),
- c) Vote by correspondence.

Due to the inability to personally attend the General Meeting, it is recalled that it will be streamed live or available by replay on the Company website www.gevelot-sa.fr.

It is specified that for any proxy given by a Shareholder without indication of proxy, the Chairman of the General Meeting will vote in favor of the adoption of the draft resolutions presented or approved by the Board of Directors and a vote against the adoption of all the other draft resolutions.

Shareholders may vote by post or give a proxy, using the voting form provided for this purpose. These means of participation made available to shareholders are now the only possible.

A single postal and proxy voting form is available to shareholders at the company's registered office or can be requested by simple letter, fax or email at the following email address : assembleegenerale@gevelot-sa.fr and is also available on our website www.gevelot-sa.fr. Any request received or made at the latest six days before the date of the meeting will be granted. These forms will only be taken into account if they are duly completed, signed and received either by post at the Company's registered office or by electronic mail at the following address at least three days before the date of the meeting. Owners of bearer shares must accompany their form with the certificate of participation issued by an intermediary mentioned in article L.211-3 of the Monetary and Financial Code.

Proxies can validly reach the company, either by post at the registered office, or electronically at the following email address assembleegenerale@gevelot-sa.fr until the fourth day preceding the date of the General Meeting, i.e. no later than June 13, 2021.

Due to the current context of Covid-19 and the uncertain postal delays, Registered Shareholders should favor the return of voting forms and mandates to a third party at the above-mentioned email address.

The proxy may not physically attend the Meeting. He must necessarily send his instructions for the exercise of the mandates at his disposal, to the company or to its authorized intermediary by electronic means at the following internet address: assembleegenerale@gevelot-sa.fr via the form in the form of a postal vote, no later than the fourth day preceding the date of the meeting, i.e. no later than June 13, 2021. The form must bear the name, first name and address of the representative, the words "As the representative of [Identity of the shareholder who gave the mandate]", and must be dated and signed. The voting directions are indicated in the "I vote by mail" form.

Only notifications designating or revoking mandates duly signed, completed, received and confirmed by the fourth day preceding the date of the General Meeting at the latest will be taken into account.

A shareholder who has already cast his vote at a distance or sent a proxy or asked for a certificate of participation may choose another method of participating in the meeting provided that his instructions to this effect reach the company until the fourth day preceding the date of the general meeting. The previous instructions received are then revoked.

Shareholders who have already cast their vote at a distance or sent a proxy may at any time transfer all or part of their shares. However, if the transfer takes place before the second working day preceding the meeting at midnight, Paris time, the company invalidates or modifies accordingly, as the case may be, the vote cast at a distance or the power. To this end, the account-keeping intermediary notifies the transfer to the company or its agent and sends it the necessary information.

No sale or any other transaction carried out after the second working day preceding the meeting at midnight, Paris time, whatever the means used, may not be taken into account by the company, notwithstanding any agreement to the contrary.

They must be accompanied by a certificate of account registration either in the accounts of Société Générale Securities Services for registered shareholders, or in the accounts of the financial intermediary for bearer shareholders.

Shareholders are recommended to favor the filing of written questions by electronic telecommunication, rather than by post.

All written questions from shareholders and the answers thereto made pursuant to the third and fourth paragraphs of Article L. 225-108 of the French Commercial Code are published in the section dedicated to questions and answers on the Company's website in the fourth paragraph of this article.
